

Göteborg University
Department of Linguistics

Agreement for using collected data

Hereby I attest that the received data (recordings and transcriptions) from the Department of Linguistics, Göteborg University, only will be used by me, the undersigned, for the following purposes:

I further attest that the data (audio and video recordings) will not be handed over to any person or organisation outside of my own research group, and that only anonymised video, audio and transcription data will be used in publications. It is also attested that in all publications of the received data, or of results derived from the received data, acknowledgement and references will be given to the Department of Linguistics, Göteborg University and to relevant people and projects.
